MARSHALL **FS**
FLEET SOLUTIONS

High Performance Batteries

Huge savings when three batteries are purchased in one order.

A special price of only **£95** (+ VAT) each will apply.

Truck Battery Part No. 203-0774
Trailer Battery Part No. 203-0765

THE BEST DESIGNED BATTERY ON THE MARKET

In our experience many batteries fitted to transport temperature control equipment simply are not up to the job. They don't meet the minimum approved specifications or standards. So when you need it most, equipment may fail.

Our battery offers massive cold start power (up to 56% more than standard!). It is totally corrosion resistant and engineered to give greater capacity for longer. This performance is Thermo King guaranteed.

- Constant and reliable starting
- Capacity to withstand deep cycling loads
- A healthy reserve for all electrical demands
- Minimum maintenance
- Truck & Trailer Batteries in stock **NOW**
- Swift Delivery

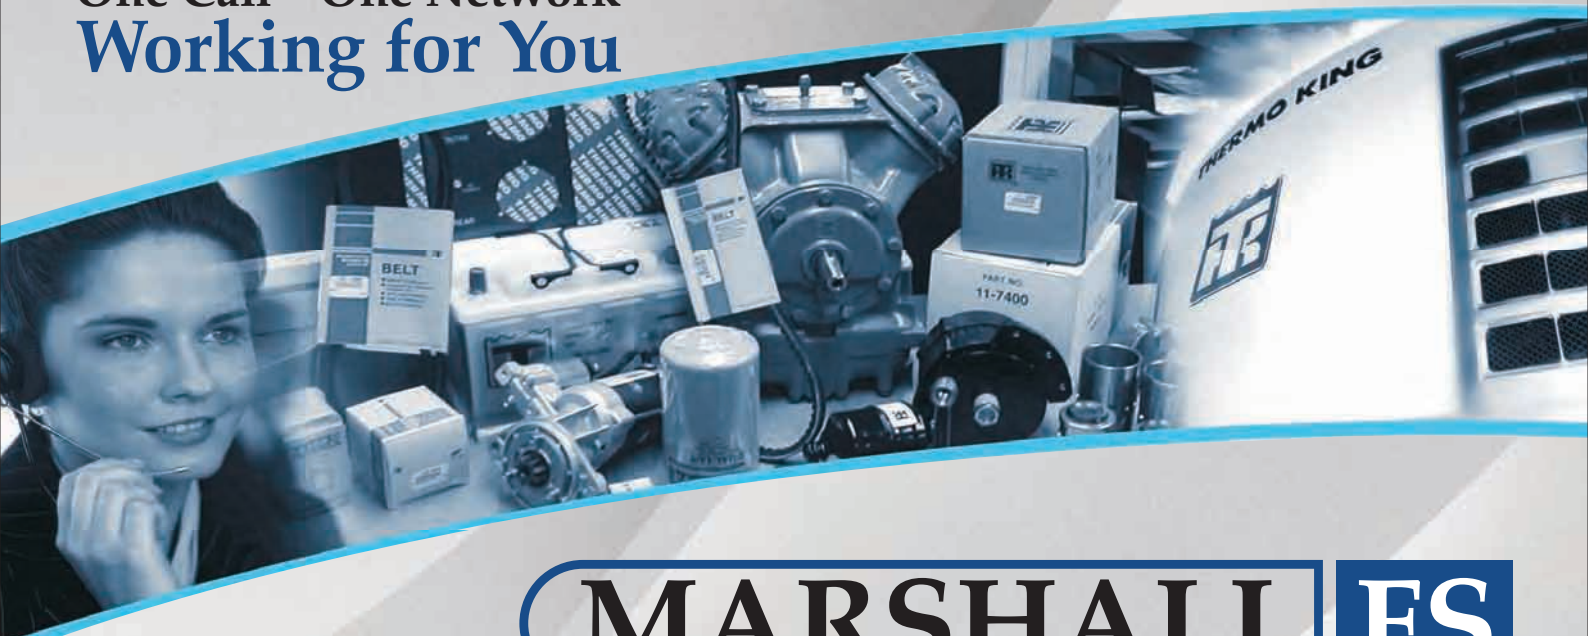

Tel: 0800 376 7178
